Behavior

- At Stevens, we have the expectation of respect for teachers/instructors and good behavior during classes. Students are expected to maintain the same behavioral standards that they would have during the formal school day. If an instructor determines this is not the case, the following steps will be taken:
 - At the first incident, the instructor will call parents/guardians regarding student behavior.
 - The student will be given one trial class to improve.
 - If the disruptive behavior continues, the student will be removed from the class.
- **The program is unable to issue a refund if a student is removed from a class due to a behavior issue.** Please discuss enrollment with your child to be sure they want to attend an after-school class.

Transportation

- The Stevens After-School Activity Bus runs Monday, Tuesday, and Thursday, during the eight-week activity block for 3:30-4:30 classes and tutoring. **Please note there is no bus on Wednesdays.** The bus route and timing is determined by which students are taking the bus each day.
- All rules and policies for riding the school bus to and from school also apply to the activity bus.
- If your child will be absent or if your transportation plans change, please provide a note in writing.
- On Wednesdays, parents are responsible for picking up their student(s). Carpools are encouraged – we need to know the people who are authorized to pickup each student.
